

Acquisition of textile companies for the EU Ecolabel

Checklist for preparatory work

Nick Paxevanos

Research

Use the CB, the ministry of commerce, industry associations, internet, PPs etc. to get the following information.

1. Overview of the CZ industry situation:

- Who are the companies that manufacture products that are included in one of the Ecolabel product groups
- List the companies that have the national CZ ecolabel and are included in one of the Ecolabel product groups

2. The Textile product group:

List the companies that produce:

- a) Children's wear
- b) Work wear

Find out who their customers are

Who supplies:

- a) The public service: Hospitals, Police, Councils, Armed forces, etc.
- b) The retail stores: Supermarkets, Tradesmen type chains, etc.
- c) Private companies: Dairy companies, Pharmaceutical companies, etc.

Do any of the companies have an environmental policy?

Is there a national GPP document?

Are there any companies that export? Or have ambition to export

How are the companies structured?

- a) Privately owned
- b) Share, holding,
- c) Small/big enterprises
- d) Foreign/local, etc.
